Charges, Exclusions, CPS, and and additional
 allegations that involved myself or my children
 were investigated and cleared. The state courts
 and hospital and detention center and other
 states and jurisdictions allege that because
 they are allowed to assault us and forced
 a dismissal in this case we have to
 continue in the same conditions, assaults,
 rapes, I have been told my children
 will die, I will to and that threats
 to the FBI would occur and ATF the same.
 False mental allegations and we are
 being kidnapped and abducted unlawfully
 and held while being assaulted to issue a
 warrant or Detainer against myself or
 my children cleared and denied and
 any placement that is outside of my
 care or custody denied and any placement
 into mental facilities denied.
